BUTUANON RIVER

Sitio Paradise is a riverside community located in Barangay Tabok, Mandaue City, Cebu. Nestled along the Butuanon River, the area is vulnerable to environmental challenges such as flooding and fires. In April 2024, residents reported significant flood levels along the riverbank, highlighting the community's susceptibility to natural disasters.

STRUGGLES BY THE RIVER: VOICES OF SITIO PARADISE

Flooding remains a constant threat in Sitio Paradise, with heavy rains causing the river to swell and invade homes. Pollution from upstream and nearby industries worsens living conditions, endangering health and the environment. Adding to these struggles, fires have repeatedly displaced hundreds of families.
